Brilliant Energy Efficient products provide savings to you and the environment through the use of energy efficient LED Light globes.

Nature/Environment Saver
LED globes are designed to reduce energy consumption by up to 80%. We contribute to a cleaner environment by reducing greenhouse gas emissions.

Money Saver
LED globes use significantly less electricity, so lighting your home can be reduced by up to 80% with energy efficient LED light globes.

Time Saver
Replace fewer globes! Energy efficient LED globes save you time and money.
